What Edison did during the War

THE official announcement is out. Ask us for your copy of "What Edison Did During the War." Write for it, if you can't call.

It tells how Edison left his home and business and went to sea, how Edison's "Yankee magic" foiled the German submarines.

The bulletin tells many other things Edison did while Chairman of the Naval Consulting Board. It explains how Edison kept the price of his phonograph at bed rock during an era of high costs and soaring prices. Since 1914 the New Edison has advanced in price less than 15%—and part of this is war tax.

This bulletin also describes the Budget Plan, which makes it possible for every home to enjoy the benefits of good music without feeling the financial outlay.

Obituary

Nancy M. Tester Carr Madden, daughter of Samuel and Nancy E. Tester was born at Lima, Allen Co. Sept. 22, 1864 departed this life Jan. 6, 1921 at the Wauseon Hospital aged 56 years, 3 months and 15 days.

On Sept. 21, 1888 she was united in marriage to David E. Carr. To this union one daughter was born, Arletha Blanch. David E. Carr died Aug. 21, 1886.

She was again united in marriage to William Madden July 6, 1888.

She was of a cheerful disposition kind and affectionate companion and mother and will be greatly missed in the home and by all who knew her.

She accepted Christ and her Savior while in her teens and has strived from that time until the sleep of death stole upon her to live a consistent life in Christ and to the Church and was enrolled with the C. U. Bethel Class, but has gone to join the ranks of those who fell asleep in Christ Jesus.

Funeral services were held at Bethel C. U. Church near Wauseon, by her pastor Rev. H. L. Burtch. Interment was made in Young's cemetery at Liberty Center.

Card of Thanks
We desire to express our gratitude to the neighbors and friends for their kindness and assistance during the illness and funeral of our dear companion and mother, also those who sang and for the beautiful floral offerings.

NOTICE TO CONTRACTORS

Sealed proposals will be received by the Board of Education of the Lyons Village School District, Royalton Township, Fulton County, Ohio at the regular place of meeting of said Board, until 12:00 m., Central Standard Time, the 1st day of March 1921.

Sealed proposals shall be for the necessary labor and materials for both the alteration and remodeling of the school building at Lyons, Ohio in said school district, and for the erection and completion of a composite construction addition thereto.

The work as bid upon, to be done in strict accordance with the plans and specifications as prepared by Robinson-Bray-Cameron, Architects and Engineers, 755 Spitzer Building, Toledo, Ohio. Said plans and specifications are on file with the Clerk of the Board for the purpose of public inspection at any time during ordinary business hours, until the date for receiving bids. Plans are also on file, or can be procured at the office of the Architects.

Proposals may be made as follows:

Proposal on the entire construction of the work to complete, including the heating, ventilation, temperature regulation, plumbing, drainage, electric wiring etc.

Separate proposals on the general construction.

Separate proposals on the plumbing.

Separate proposals on the hard tile drainage.

Separate proposals on the heating and ventilating.

Separate proposals on the temperature regulation.

Separate proposals on the electric wiring.

Bidders may submit proposals on all or any part of the work according to the above schedule.

All proposals shall be made out according to blank forms furnished by the Board for that purpose with the bids for labor and material separately stated, and with the full name of each person specially interested in the same set forth in the said proposal. Proposals shall be enclosed and sealed in plain envelopes and directed to the Board of Education.

Each proposal shall be accompanied by either a certified check on some solvent bank in the State of Ohio, or a bid bond furnished by some acceptable surety bond company for the amount of Five per cent (5 per cent) of the total amount included in the proposal, as a guarantee that if his proposal is accepted by the Board, he will forthwith enter into a contract immediately, and will secure the same with the necessary contract bond, properly executed.

Bidders who have submitted shall hold, as given for a period of not more than ten days during which the Board may consider the proposals before awarding all or any part of the work, and all accompanying surety shall guarantee said proposals to stand for the said ten days period.

Upon the failure of any bidder, as a result of the award of a portion of the work, to forthwith enter into and properly execute the above mentioned contract and contract bond or upon the withdrawal of any bidder's proposal before the expiration of the work, he shall be liable for the cost of the work, and all accompanying surety shall be returned to the Board of Education and all accompanying surety shall be returned to the Board of Education and all accompanying surety shall be returned to the Board of Education.

The successful bidder for any part of the work shall be required to enter into a contract for that portion of the work according to the form set forth in the specifications. Said contract to be accompanied by a satisfactory surety bond equal in amount to Fifty per cent (50 per cent) of the contract price and conditional upon the faithful performance of the contract and full payment by the contractor for all material and labor used by him in his portion of the work on the building. Said bond must be acceptable to both the Board of Education and the Prosecuting Attorney of Fulton County, Ohio, before the same will be accepted.

The contract, bond and all other documents connected with this work shall be in strict accordance with the laws of the State of Ohio, governing this class of work.

The Board of Education reserves the right to reject any and all bids, or to accept any bid they may deem most advantageous to the Board.

By order of the Board of Education of Lyons Village School District, Royalton Township, Fulton County, Ohio.

H. R. Treadway, Clerk, Lyons, Ohio

GOT THE REAL THING

"For five long years I suffered with stomach trouble and what the doctors called gall stone colic, and all said nothing but an operation would do me any good. A friend who had taken your medicine advised me to try it, and I found it to be the real thing. I feel better than I have in eight years and I am praising God for Mayr's Wonderful Remedy." It is a simple, harmless preparation that removes the extraneous mucus from the intestinal tract, and plays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

Woman's Woes

Wauseon Women Are Finding Relief at Last

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Keeping the kidneys well has spared thousands of women much misery. Read of a remedy for kidneys only that is endorsed by people you know.

Mrs. A. Sams, E. Chestnut St., Wauseon, says: "Doan's Kidney Pills have been used in my family for a great many years. It was years ago I was first troubled with backache and disordered kidneys. My back felt stiff and lame and when I stooped over, I couldn't straighten without pain. It was hard for me to do my housework and I suffered with this trouble for some time. Finally I decided to try the old family remedy—Doan's Kidney Pills. Short use relieved the trouble. I have only had to take a kidney remedy a few times since and Doan's Kidney Pills have never failed to do the work."

Price 60 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Sams had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

For a Persistent Cough

Some years ago H. P. Burbage, a student at law in Greenville, S. C., had been troubled for a long while with a persistent cough which he says, "greatly alarmed me, causing me to fear that I was in the first stage of consumption." Having seen Chamberlain's Cough Remedy advertised he concluded to try it. "I soon felt a remarkable change and after using two bottles of the small size was permanently cured."

The Tribune prints sale bills. Try them.
